

## How to Find Teacher Websites

Go to : [www.marionschools.net](http://www.marionschools.net)

From here, you can find your student's school by clicking 'Our Schools' or 'Schools' in the navigation bar.

If you know your school's three-letter abbreviation, you can type that in the address bar and navigate directly to the school. For example,

Ward-Highlands Elementary is WHE, [www.marionschools.net/whe](http://www.marionschools.net/whe)  
Liberty Middle School is LMS, [www.marionschools.net/lms](http://www.marionschools.net/lms)  
Lake Weir High School is LWH, [www.marionschools.net/lwh](http://www.marionschools.net/lwh)

### FROM A DESKTOP

Click directly on 'Teacher Websites' for a list of all teachers at the school, alphabetically by lastname.

Once you've navigated to the school's website, you can also click on the 'Faculty and Staff' link in the navigation bar. You can access teacher websites, as well as the teacher email directory, and administration (leadership) team.

### FROM A MOBILE DEVICE

Navigate to the school's website.

Click the MENU button in the top right,

Then, click on Teacher Websites.

Each teacher's website is slightly different.

This example uses **Google Classroom**. Ask your teachers about guardian access so you can receive updates about assignments and grades. (Classroom codes are individual to the teacher's classroom.)

The image shows a screenshot of a teacher's website for Coach Cullen. The website has a purple header with the name 'CULLEN, EOGHAN' and a sub-header 'It's Science! You can't argue with it!'. Below the header, there is a navigation menu with links for 'TEACHER HOMEPAGE', 'MEET THE TEACHER', 'CALENDAR', 'GALLERY', and 'BIOLOGY I'. The main content area features a welcome message from Coach Cullen, stating that the website is designed to be an informative tool for students and parents, and that contact information can be found on the 'MEET THE TEACHER' page. To the right, there is a section for 'Online Learning Starts 4/1/2020' and a list of classroom codes for each period (1st through 6th). At the bottom right, there is a contact information section with office hours and an email address. Red annotations highlight specific parts of the website: a red box around the contact information, a red box around the office hours, and a red arrow pointing to the 'MEET THE TEACHER' link in the navigation menu.
